Registration Close

The Board discussed the registration deadline of March 1, 2010. It was decided to stick with this as a final registration date and no late registrations.

Evaluations

A note will be sent out to the registered players and their parents outlining the evaluation process. If a player cannot attend the evaluations or the make-up date, they need to contact the Board about getting a simple assessment at open gym.

Grievance and Discipline Procedures

The Board reviewed the new Grievance and Discipline Procedures and approved several changes in wording. When completed, the procedures will be placed on our website.

Action Item: When final approval is reached, procedures to be placed on the website.

New Equipment Purchases

Paul DeWitt made the following equipment purchases for the association:

- 8 dozen game balls
- 3 new bats (12u, 14u, 16u)
- 1 equipment bag
- 6 dozen waffle balls
- Misc. medical supplies

There are a few other items still to be ordered such as chest protectors for 12u and 14u. The total expenses should be approximately \$1,800.00. Last year the equipment expense was \$2,100.00.

Website Calendar

The calendar on the Mahtomedi fastpitch website is up and looking great. Kevin is working on making individual team calendars to show each practice, game, field and map of locations. This should be completed by late March.

Action Item: Kevin will update the Board of the progress of the individual calendars at the next meeting.

Coaches

We are still in need of a coach for the 10u team. Notes will still be placed on each school's daily news and is on the front page of our website for registrations and coaching needs.
