

# Mahtomedi Fast Pitch Association

Oct 8, 2009

Dear Fastpitch Parents,

The Mahtomedi Fast Pitch Association sincerely hopes that your daughter had a positive experience playing fastpitch softball this past season. It takes the time, energy, and talent of many volunteers to run our Association and ensure that your daughter continues to have fun and develop her softball skills. As such we would like to invite you to consider joining the board or volunteering for the upcoming 2010 season. The board is currently made up of 10 parents with daughters of various age levels. However, as daughters grow out of the program, so do board members. This year we will be losing 3 board members, so we are looking for 3 new board members, plus numerous volunteers.

The board provides the oversight and logistical planning that enables our many teams to participate in the Tri County League and various tournaments throughout the summer. The demand on our time is reasonable. The board meets one night per month throughout the off season and the meetings last about 1.5 hours. We are task minded, efficient and open to ideas and discussion that will bolster the quality of our program and be rewarding to the girls that participate.

**Our first board meeting for the 2010 season is scheduled to be held on Oct. 28 at 6:30 PM at the Wildwood library.** This meeting marks the first stage of the planning process for the 2010 season. At this meeting we will elect the following board positions:

- Vice President (two year term)
- Secretary (two year term)

In addition, we will be organizing to support the following areas:

- Field and umpire coordinator
- Coaching
- Batting cage and open gym supervision

Please consider joining us for the upcoming season. We think you will find participating a great way to contribute to the community in a leadership position. If you are interested in joining the board please contact me at the phone number or e-mail address listed below. Also, please feel free to contact me if you'd like to gather more information prior to the upcoming meeting.

Sincerely,

Greg Eick
